**ORDER:**

Government of India have allotted a target of 15,57,800 under Antyodaya Anna Yojana Scheme duly indicating the eligibility criteria to be followed for selection of beneficiaries vide references 1<sup>st</sup> to 5<sup>th</sup> read above.

2. Accordingly, 15,57,800 families were selected under Antyodaya Anna Yojana Scheme as allotted by the Government of India from time to time and a quantity of 54524 Mts of rice @ 35 Kgs per each family @ Rs.3/- per kg, is allotted by the GOI for distribution to the families covered under the Scheme. However, in Andhra Pradesh State, 35 kgs of rice is distributed to AAY families @ Rs.2.00 per kg., on par with the BPL families, duly incurring the difference cost as subsidy.

3. In the reference 7<sup>th</sup> read above, the Under Secretary to Govt. of India , Ministry of Consumer Affairs , Food and Public Distribution, Dept. of Food and Public Distribution, New Delhi has informed that the Hon'ble Supreme Court has passed Orders in Writ Petition ( Civil) No.535/1998, (PIL) filed by the social activists and Persons Living with HIV/AIDS (PLHA) and relevant extracts of the Order, Dtd: 26.03.09 are as follows :

“Learned counsel appearing for the petitioner stated that many of these patients

are living Below the Poverty Line and so they should be provided with Antyodaya Anna Yojana card to get food supply from PDS stores and so also some of these patients have to visit the distant hospitals regularly and therefore they should be issued free passes in public transport system. We hope that HIV/AIDS patients would get the proper line of treatment.”

4. The Under Secretary to the Govt of India has requested to review the existing list of AAY families, delete ineligible AAY families there from and include all eligible BPL families of HIV positive persons in the AAY list on priority, against the criteria mentioned in para 2(b) and 2(c) of the guidelines for identification of AAY families under Antyodaya Anna Yojana.

5. Therefore, all the Collectors & CRO, Hyderabad are hereby instructed to review the existing list of AAY families in the district, delete ineligible AAY families, if any and include all eligible BPL families of HIV positive persons in the AAY priority, against the criteria mentioned in para II and III of the Annexure- II of the guidelines communicated for identification of AAY families under Anthyodaya Anna Yojana, vide G.O.Ms.No.66, C.A. F & CS (CS.I) Dept, Dtd: 15.06.05, within the targets assigned to the respective districts under AAY Scheme.

6. All the District Collectors and CRO, Hyderabad shall take immediate action in the matter.

**ORDER:**

In India, HIV prevalence rate as per revised surveillance data of National AIDS Control Organisation, (NACO) Govt. of India, is 0.36%. Andhra Pradesh is considered as one of the six states with high HIV prevalence. As on 2006, 2.4 million HIV positive cases are reported out of which around 5.4 lakh cases are from Andhra Pradesh. Government have taken up a number of initiatives in the state for prevention and control of HIV/AIDS in the state through the Andhra Pradesh State AIDS Control Society (APSACS). These programmes are taken up as per the guidelines of the National AIDS Control Programme.

2. The State Government have felt that there is an imperative need in the State to provide financial protection to families living below poverty line who are AIDS patients and receiving Anti Retroviral Therapy (ART) medicines at the designated ART centers, as majority (80%) of the patients who are receiving ART medicines are from the BPL families. The Government provides ART medicines free of cost. However, these AIDS patients who are on ART are unable to make a living in view of social stigma and discrimination against AIDS patients and also those from low income levels are not in a position to visit the ART centers regularly to take the ART medicines. ART medicines if not taken regularly leads to further health complications. It is felt that providing monthly pension to the AIDS patients would help AIDS patients to access the ART medicines and also support their livelihoods and better nutrition so that their life span could be extended.

3. Government after careful examination have decided to introduce a scheme of pension to AIDS patients in all the districts of Andhra Pradesh. The pension scheme is intended to benefit AIDS patients who are receiving ART medicines in the Government ART centres and who are from below poverty line (BPL) families @ Rs.200/- per month without any restrictions on the number of persons to receive pension in a family.

4. The expenditure sanctioned above shall be debited to the head of account MH 2235 - Social Security and Welfare -60, other Social Security and Welfare Programmes, - MH102. Pensions under Social Security Schemes, GH.11 Normal State Plan, SH(09) Pension to AIDS Patients 310.Grants in Aid/ 312. Other Grants in Aid (to be opened).

5. This scheme shall be administered by Rural Development Department and shall be effected from 1.4.2009. Rural Development Department is requested to follow the modalities appended to this order, for evaluation of eligible AIDS Patients.

6. The Rural Development Department shall send proposals to Finance Department for providing necessary amount in BE 2009-10 (final) on made.

**ORDER:-**

The Department of AIDS control Society, NACO, G.O.I, New Delhi vide their memo 1<sup>st</sup> read above have framed and circulate guidelines regarding HIV/AIDS status of positive persons by courts of Law, Insurance Companies, Government Offices an other institutions.

2. The Project Director, Andhra Pradesh State AIDS Control Society, Hyderabad in his letter read above has brought the above circulated guidelines to the notice of Government stating that his circular is important while issuing Births & Death Certificates particularly while issuing Death Certificates by the Doctors in the hospitals, wherein it has to mentioned " underlying cause of death as Immuno deficiency " but not HIV/AIDS. As this circular has wider ramifications in dealing HIV/AIDS positive people, by the Project Director, Andhra Pradesh State AIDS Control Society has requested the Government to issue orders in the matter to concerned Department.

3. Government felt that this is an extremely important matter given the stigma attached to HIV/AIDS. Moreover, clinically also "Immuno – deficiency" is a more accurate description of death.

4. Accordingly, all the concerned departments are requested to issue necessary instructions to the authorities under their control to follow the above guidelines of the Department of AIDS control, NACO, G.O.I., communicated in the memorandum first read above regarding declaring HIV/AIDS status of positive people while issuing Death Certificates mentioning the "Immuno deficiency" instead of HIV/AIDS in the "underlying cause" column of the death certificate issued by the Doctors in the hospitals.

**ORDER:**

In the reference first read above, the Project Director, Andhra Pradesh State AIDS Control Society, Hyderabad has proposed that People Living with HIV/AIDS who are receiving Anti Retroviral Treatment (ART) medicines may be provided with concession in bus fares on the lines of concession in rail fares to People living with HIV/AIDS who are on ART. There are about 50,000 PLHA's living on ART at present in the State, accessing ART medicines through the network of 31 ART Centres and 14 Link Art Centres. There is also a proposal to set up 5 new ART Centres and 25 link Art Centres in near future, thereby reducing the distance to be traveled by the People living with HIV/AIDS to access the ART.

2. The Project Director, Andhra Pradesh State AIDS Control Society, Hyderabad has proposed that, Government may consider recommending to Andhra Pradesh State Road Transport Corporation for providing 50% concession in bus fare to the ART patients who are from below poverty for travelling to get ART medicines once in a month. He has stated that it is estimated that about 1,00,000 people would be visiting the ART Centres in a month, including the persons accompanying the patients traveling an average distance of 50 to 100 KMs. At an average cost of Rs.50/- per person per trip the cost on travel would be Rs.50/- x 12,00,000 = 6,00,00,000/- per annum and the cost on 50% concession would be Rs.3,00,00,000/- or Rs.3.00 crore per annum. The modalities to provide concessions are to be worked out by Andhra Pradesh State AIDS Control Society in consultation with APSRTC.

3. The Vice Chairman & Managing Director, APSRTC, Hyderabad in his letter in the reference 2<sup>nd</sup> read above has stated that the total amount required per year towards 50% concession in normal fare for People living with HIV/AIDS with one attendant is Rs.5,28,00,000/- (Rupees five crores twenty eight lakhs only) and have to be reimbursed by Government. He has further stated that the APSRTC is receiving number of representations from the District Collectors as well as from HIV/AIDS patients to extend 50% concessional facility once in a month to the HIV/AIDS infected patients along with one attendant each to travel from the place of residence to

the nearest District Headquarters for their medical checkup and to collect free medicines. Therefore he has requested to issue instructions for reimbursement of Rs.5.28 crores, in advance in order to extend 50% concession in normal fare in APSRTC buses to 50,000 people living with HIV/AIDS along with one attendant each (residing in A.P. State) to perform journeys from the place of their residence to the nearest ART Centre once in a month to avail medicines and medical assistance.

4. Government after careful examination of the matter and have decided to provide concessional bus fare for travelling in APSRTC buses to People living with HIV/AIDS to receive ART Medicines to the nearest ART centre once in a month @ 50% concession on normal fare, along with one attendant. In the reference 4<sup>th</sup> read above, the Finance Department have released budget for Rs.5.00 crores (Rupees five crores only).

5. Accordingly, Government hereby order to provide concessional bus fare to People living with HIV/AIDS for travelling in APSRTC buses along with one attendant to the nearest ART centres to receive ART Medicines once in a month @ 50% concession on normal fare.

6. The Project Director, Andhra Pradesh State AIDS Control Society, Hyderabad shall take necessary further action to prescribe the operational modalities to implement the scheme in an efficient, effective and transparent manner to the convenience of the People living with HIV/AIDS.
