For purposes of this determination, a substantially responsive bid is one that conforms to all the terms, conditions, and specifications of the Bidding Documents without material deviations, exceptions, objections, conditionality, or reservations. A material deviation, exception, objection, conditionality, or reservation is one: (i) that limits in any substantial way the scope, quality, or performance of the Goods and related Services; (ii) that limits, in any substantial way that is inconsistent with the Bidding Documents, the Purchaser’s rights or the successful Bidder’s obligations under the Contract; and (iii) that the acceptance of which would unfairly affect the competitive position of other Bidders who have submitted substantially responsive bids.

The Purchaser’s determination of a bid’s responsiveness is to be based on the contents of the bid itself without recourse to extrinsic evidence.

29. Correction of Errors

29.1 Arithmetical errors will be rectified as follows:

If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit or subtotal price shall prevail. If there is a discrepancy between

30. Evaluation and Comparison of Bids

30.1 The Purchaser will evaluate and compare the bids that have been determined to be substantially responsive, pursuant to ITB Clause 28.

30.2 The Purchaser’s evaluation of a bid will take into account the total cost of the item at the consignee’s destination inclusive of all duties and taxes and other statutory levies.

30.3 The contract shall be awarded only to the bidder who are substantially responsive, offer competitive rates, and meet the qualification requirement stipulated in the bidding documents.

30.4 Bidder may bid for the indicated schedule. Bids will be evaluated for each schedule separately and the contract will comprise the schedules(s) awarded to the successful bidder. Bidders must quote for the entire quantity of each schedule. Bidders who do not quote for full quantity of each schedule will be treated as non-responsive.

30.5 Deviations in the delivery schedule and Payment schedule are not permitted.

30.6 In exercising of the powers conferred in Section 11 of the Micro, Small and Medium Enterprises Development (MSMED) Act 2006, the Government has notified a new Public Procurement Policy for Micro & Small Enterprises effective from 1st April 2012.

In accordance to the above notification the participating Micro and Small Enterprises (MSEs) in a Bid, quoting price within the band of L 1+15% would be allowed to supply a portion of the requirement by bringing down their price to the L 1 price, in a situation where L 1 price is from someone other than an MSE. Such MSEs would be allowed to supply up to 20% of the total Bid value. In case there are more than one such eligible MSE, the 20% supply will be shared equally. Out of 20% of the quantity earmarked for supply from MSEs, 4% quantity is earmarked for procurement from MSEs owned by SC/ST entrepreneurs. However, in the event of failure of such MSEs to participate in the Bid process or meet the Bid requirements and the L 1 price, the 4% quantity earmarked for MSEs owned by SC/ST entrepreneurs will be met from other participating SMEs.

The MSEs participating in the bid shall enclose with their Bid a copy of their valid registration certificate with District Industries Centres or Khadi and Village Industries Commission or Coir Board or NSIC or any other body specified by Ministry of Micro and Small enterprises in support of their being an MSE, failing which their offer will be

In case of stipulation like Sales Tax/VAT extra as applicable, the same shall be incorporated in the resultant contract.

Any change in Sales Tax/VAT upward/downward as a result of any statutory variation in element of Sales Tax/VAT leviable, on the finished goods, taking place during currency of contract shall be allowed to the extent of actual rate/quantum of Sales Tax/VAT paid by the supplier.
