Sub: Free routine investigations to all PLHAs (People living with HIV/AIDS) registered at Anti-retroviral therapy (ART) centre of Haryana at Rohtak

Reference to the subject cited above. You are aware that most of the people living with HIV/AIDS (PLHAs) registered at ART centre Rohtak belongs to low income group and cannot afford to pay the laboratory/diagnostic radiological investigations which are required for diagnosis and management of several clinical conditions.

National AIDS Control Programme is a National health programme under which all routine investigations for PLHAs should be provided free of cost.

Therefore, it is kindly requested that all the routine investigation including radiological investigations should be done free of cost to all the PLHAs registered at ART Centre, PGIMS Rohtak.
