AUDIT REPORT

The Project Director,
West Bengal State AIDS Prevention and Control Society,
Swasthya Bhawan, GN – 29, Sector V,
Salt Lake City, Kolkata - 700091

We have audited the accompanying financial statements of the West Bengal State AIDS Prevention and Control Society (Pool Fund) as of March 31, 2011. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, subject to our observations contained in the Management Letter, listing on ineligible claims, exceptions with adherence to procurement procedures, the financial statements give a true and fair view of the Sources and Application of Funds and the financial position of West Bengal State AIDS Prevention & Control Society (Pool Fund) for the year ended March 31, 2011, in accordance with consistently applied accounting standards.

In addition

(a) With respect to IFRs, adequate supporting documentation has been maintained to support the IFRs

(b) The expenditures are eligible for financing under the Credit/Grant Agreement.

(c) Procurement of goods and services has been carried out as per the procurement manual issued by NACO, GOI and NGO / CBO guidelines subject to annexure on exceptions with adherence to procurement procedures.

d) Exceptions with adherence to the procurement procedures.
Management Letter
(Pool Fund)

To,

The Project Director,
West Bengal State AIDS Prevention & Control Society,
Swasthya Bhawan, GN – 29, Sector – V,
Salt Lake City, Kolkata - 700091

Sir,

Subject: Management Letter

We have audited the accompanying financial statements of the West Bengal State AIDS Prevention and Control Society (Pool Fund) as of March 31, 2011. This Management Letter has been issued for expressing our audit observations related to accounts, accounting systems, operations and records of the Society.

1.) Final Accounts, i.e., Balance Sheet, Income & Expenditure A/c. and Receipts & Payment A/c. have been prepared separately, fund wise, for Pool Fund, GFATM Round II, GFATM Round IV and GFATM Round VII, as directed by National AIDS Control Organization. However, Consolidated Final Accounts have not been prepared which may be required for the purposes of filings with Income Tax Departments and Registrar of Societies.

2.) Books of Accounts of the Society have been maintained on the CPFMS Accounting Software provided by National AIDS Control Organization, i.e., Cash Book, Bank Book, Journal Book and General Ledger.

3.) Two accounting policies suggested by National AIDS Control Organization differ from the accounting standards prescribed by the Institute of Chartered Accountants of India, i.e.,

   i.) Cash Basis of accounting being followed by the Society.

   ii.) Depreciation not being provided for by the Society

4.) The amount of Rs. 4,53,935.62 shown in the Balance Sheet under the head Funds from Other Sources is not any liability but recovery of advance given to the NGO wrongly classified. There is no such liability of the Society. As explained to us this amount represents recovery effected against the aforesaid NGO in relation to advance previously fully adjusted.

5.) The office address of the Society is wrongly entered in the CPFMS system. The correct office address of the society is Swasthya Bhawan, GN – 29, Sector – V, Salt Lake City, Kolkata – 700091.

6.) The accounting entries related to cash payments are deleted / altered on arbitrary basis. Entries once passed should never be deleted. Wrongly passed entries should be corrected by passing rectification entries and audit trail should be maintained.

7.) Very huge amount of cash balance has been maintained by the Society throughout the year. Huge amounts of cash have been withdrawn by the Society for the purposes of conducting various trainings which are not conducted immediately upon drawing cash from bank. This is an absolutely incorrect practice / policy of the Society.

8.) IEC materials are dumped in the store and no proper record of the same is found.

9.) Register of Cash Balance is not maintained as per clause 11.2.2 of Financial Management.

10.) Withdrawal of Cash from Bank is not being justified by any estimation / calculation which is required as per clause 11.2.3 of Finance Manual

11.) Physical Verification of cash has not been conducted by the Project Director at the end of each quarter, which is required as per clause 12.3 of Finance Manual.

12.) Cheques drawn in the name of parties are not dispatched on the same day, which is required as per clause 11.2.7 of the Finance Manual.

13.) The advances are not adjusted within the time limit as prescribed in clause 11.2.6 of the Finance Manual.

14.) Peripheral Units are late in settlement of advances leading to mismatch between the physical and financial progress of the project as per clause 11.11.2 of Finance Manual.

15.) Physical Verification of Fixed Assets has not been done as per clause 12.3 of Finance Manual.

17.) Cash payments in excess of Rs 5,000.00 are made on a regular basis in contravention of NACO guideline.

17.) Fixed Assets Register is not being maintained item wise and in the format of NACO.

18.) Consumable Items procured for various training purpose are being used directly without making entry in the Store register.

19.) Inventory of consumable items is not verified by the management staff independent of store personnel.

20.) Annual physical verification of Fixed Assets by a team of designated officer by PDD of the SACS is not being carried out.

21.) The contract for procurement of 6 walk in coolers was awarded by following shopping method on 28.02.2011. Later repeat order was given to the same firm for supply of 3 additional walk in coolers on 17.03.2011. The total value of the order was Rs. 42.75 Lacs. As per purchase order the equipment were to be installed in 20 days from date of order and full payment to be made upon installation in good condition of the same. However, supplier submitted bill for payment of total amount of Rs. 42.75 Lacs without proof of delivery for which full payment was released in undue haste on 31.03.2011 itself. It is pertinent to note that the supplier, M/s Snowline Engineers was L-3 as per the findings of the Procurement Committee. The aforesaid purchase order was issued on the basis of arbitrary adjustments / interpretations in bids of all the bidders.

The procurement of Walk in Coolers should be further investigated in order to determine the staff accountability.

22.) The vehicle hire contractor of the Society has not been selected on the basis of competitive bidding.

23.) All the data entries in the CPFMS are being done by the finance assistants through single log in id. The entries are authenticated under the same log in id. Different log in id’s should be used by different users having varying prescribed authorizations.

24.) Adjustment of advances to NGO’s and Peripheral Units are being done on basis of e-mailed statements of expenditure which are not signed by the authorised persons. This serious lapse is being done under excuse of urgency and cost cutting / savings. This is not at all acceptable and hard copies of statement of expenditures and other documents duly signed by the authorised persons should be basis of the adjustment of advances.

25.) Serious irregularities were pointed out in the Internal Audit Report of the Society for the financial year 2010 – 2011 wherein instances of shortage of cash to the tune of Rs. 14,05,598.00 were pointed out on the basis of physical verification conducted by them on 23.05.2011. The Society has not given any explanation / rebuttal / compliance with respect to this observation of the Internal Auditor, therefore, there is likelihood of this shortage continuing even before 31.03.2011 which the Society could deny with credible evidence. Physical Verification of Cash was not conducted anytime during the financial year 2010 – 2011.

The shortage probably happened due to uncontrolled and indiscriminate cash draws of large amounts and weak internal control and poor supervision and subsequent adjustment done on the basis of inadmissible bills / vouchers.

Therefore, we cannot comment on the existence of actual cash balance of Rs. 12,00,175.00 in the Pool Fund as at 31.03.2011. This is a serious irregularity and raises a question mark over the correctness of the books of accounts of the Society as at 31.03.2011 to the extent of this cash shortage amount.
NGO's have not been selected through fair exercise, some under qualified NGO's have been selected. For example, Prantik (Bangaon) has been selected as an NGO in the JAT Visit conducted in 2011-12. In TAC meeting on 04.02.2011, 5 NGOs were selected, i.e., Koshish, ATGB, Gokale Road Bandhan, Astitva Dakshin, Madhya Banglar Sangram. JAT evaluation of these 5 concluded in March 2011. Suddenly on 10.05.2011 it was proposed to plan JAT Visit at Prantik (Bangaon), whereas JAT had prepared report on 06.05.2011, i.e., before 10.05.2011 when the approval to order JAT Visit was given.

Moreover, the following NGO's were given further Grant in Aid even after failing in the Annual Evaluation:

a) CWRC – CSW
b) SCIR – IDU (Goabagan)
List of Ineligible Expenses

During the course of our audit we came to know that a case of misappropriation of cash was reported in the Internal Audit Report of the Society. Consequently an Enquiry Team was deputed by NACO to further review the financial records and books of accounts and procurement the office of the Society to processes / procedures. Simultaneously an Enquiry Committee was constituted by the Principal Secretary to the Govt. of West Bengal, Department of Health and Family Welfare to enquire financial transactions of the Society.

On the basis of our examination of financial records and information / explanations obtained on test check basis, during the course of our audit we observed that the ineligible expenses are primarily are in the nature of prima-facie in-genuine supporting documents / duplicate supporting documents / tampered supporting documents and also in the nature of personal expenses.

Some of the instances of ineligible expenses detected by us during the course of our audit are as under:-

Rs. 1,85,133 Rs. 1,10,819.00

Moreover, it is further gathered that the Enquiry Committee constituted by the Principal Secretary to the Govt. of West Bengal, Department of Health and Family Welfare to enquire financial transactions of the Society in it’s preliminary report has estimated the ineligible expenses to the tune of around Rs. 3,00,000.00.

Arriving at the total value of the ineligible expenses calls for detailed investigation in the matter.

Further, the transactions with the following vendors were determined by us to be more suspicious involving further ineligible expenses which needs detailed investigation. However, copies of accounts / confirmation of transactions of the following vendors not being available for examination restricted the scope of our findings w.r.t ineligible expenses:-

a.) Raj Yatayat Private Limited, Karnani Estate, 209, A.J.C Bose Road, 5th Floor, Suite No 205, Kolkata
b.) Sumita Dutta, North End Plaza, Shop No. 18, 234, Gopal Lal Tagore Road, Kolkata

Exceptions with adherence to the procurement procedures

1.) The contract for procurement of 6 walk in coolers was awarded by following shopping method on 28.02.2011. Later repeat order was given to the same firm for supply of 3 additional walk in coolers was awarded on 17.03.2011. The total value of the order was Rs. 42.75 Lacs. As per purchase order the equipment were to be installed in 20 days from date of order and full payment to be made upon installation in good condition of the same. However, supplier submitted bill for payment of total amount of Rs. 42.75 Lacs without proof of delivery for which full payment was released in undue haste on 31.03.2011 itself. It is pertinent to note that the supplier, M/s Snowline Engineers was L-3 as per the findings of the Procurement Committee. The aforesaid purchase order was issued on the basis of arbitrary adjustments / interpretations in bids of all the bidders.

2.) The vehicle hire contractor of the Society has not been selected on the basis of competitive bidding.

3.) Technical Evaluation in some of the cases was made on the basis of samples and demonstrations, which is not permissible as is evident from Internal Auditor Report.

4.) Bid Packaging was made for dissimilar items and bid security is not fixed on item basis, which restricts competition and discourages genuine bidder to offer their bid.

5.) The internal control mechanism to verify the delivery of the goods / services before making payment to the vendors is not implemented properly. There are instances of payments being made without the certification of goods / services being delivered by the Stores Department.

6.) Consumable Items procured for various training purpose are being used directly without making entry in the Store register.

7.) The Expert Committee constituted for technical evaluation does not give reasons for rejection of lower bidder and just give comments on technically qualified bidders as “accepted”. In the technical evaluation or the comparative statement of specification of goods offered vis-à-vis specification of goods required under bid invitation is not prepared. As evident in case of water coolers.

8.) Estimated cost is not taken as basis for deciding method of procurement, this may lead to slippage on choosing correct method of procurement, i.e., Shopping Method being followed even though the contract value is more than INR equivalent of USD 50,000 and beyond the delegated authority limit of Society as found out in case of procurement of single blood bags.

9.) The technical specifications are not detailed enough to invite comparable bids. This leads to re-bidding, delay in award of contract and even cancellation of order. The procurement is expected to give its requirement in unambiguous clear manner in order to facilitate comparable and competitive bids.

Significant Accounting Policies

1.) Basis of preparation of accounts
   The Society adopts cash basis of accounting of its income and expenditure except advances given to NGO’s and Other Parties, which are charged to expenditure on obtaining Utilization Certificates or on approval of their claims.

2.) Revenue Recognition
   Government Grant to that of expenditure (net of other income) is accounted for as income of the Society.

3.) Fixed Assets
   The fixed assets acquired out of grant received are reflected at cost by crediting an equivalent amount in Fixed Asset Fund Account.

4.) Depreciation
   No depreciation has been provided on the fixed assets.

5.) Disclosure of Accounting Heads
   The Society has disclosed expenses on its various activities according to its approved project and budget components.
